Important Instructions for Students

1. Students should check the eligibility criteria before applying.
2. Students should ensure that their Aadhaar, bank account and UMIS details are correctly updated.
3. Income certificates, community certificates, previous academic mark sheets and admission certificates should be kept ready.
4. Students should not claim two scholarships simultaneously if the respective scheme guidelines prohibit multiple benefits.
5. Scholarship amounts, income limits and eligibility conditions are subject to Government notifications and annual revisions.
6. Students should verify the current academic year's application dates and guidelines through the official portals.
7. All students who have applied for scholarships are requested to submit a **hard copy of the duly filled scholarship application form**, along with the required supporting documents, to the **Office of the Dean (Academics)** at the earliest.
